

## Where to Find Medical Records for Closed Hospitals in New York State

This document is a list of the last known contacts for storage of hospital medical records in New York State. While every attempt is made to update this list, records may have been relocated, discarded or destroyed in accordance with retention requirements. Note that if there is no location information listed, the Department does not have any information available regarding the location of the records for the facility. Updates to the information on this list may be submitted by selecting “General Inquiries” from the Subject drop down box in the following link: <https://apps.health.ny.gov/surveyd8/email-hospdtc#no-back>

- For information about locating records from psychiatric hospitals, please see the FAQs from the NYS Office of Mental Health at the following link:  
<https://www.omh.ny.gov/omhweb/fag/>
- For information on closed hospitals in New York City the following links may be helpful:
  - [https://en.wikipedia.org/wiki/List\\_of\\_hospitals\\_in\\_New\\_York\\_City](https://en.wikipedia.org/wiki/List_of_hospitals_in_New_York_City)
  - [http://newyork.resiliencesystem.org/sites/default/files/closed\\_hospitals.txt](http://newyork.resiliencesystem.org/sites/default/files/closed_hospitals.txt)

### Medical Records for Closed Private Practitioners

For information about locating medical records from closed private practitioners, you may contact the Office of Professional Medical Conduct at the following link:

<https://www.health.ny.gov/professionals/doctors/conduct/>  
<https://www.health.ny.gov/professionals/doctors/conduct/contact.htm>

New York State Education Law **6530.32**, available at the link below, establishes the requirements for retention of records:

[https://www.health.ny.gov/professionals/office-based\\_surgery/law/6530.htm](https://www.health.ny.gov/professionals/office-based_surgery/law/6530.htm)

**Unless otherwise provided by law, all patient records must be retained for at least six years. Obstetrical records and records of minor patients must be retained for at least six years, and until one year after the minor patient reaches the age of nineteen, whichever is longer.**
